

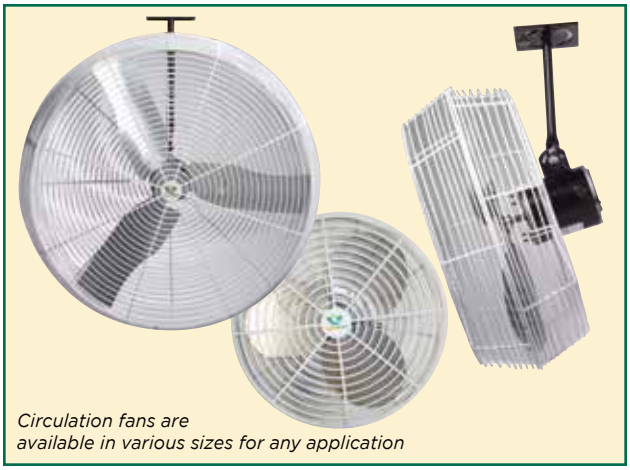
Box Z-Fan™

Keep Air Moving

Optimum performance & versatility are standard features of the **Circulation Fans** from VAL-CO®.



Circulation fans are available in various sizes for any application

Mounting options include truss mounts, ceiling mounts, and wall/post mounts.

- Designed with high efficiency motors & blades, they are a perfect complement for general purpose air movement in agricultural applications.
- Box Z-Fans are backed by VAL-CO's 7 year housing warranty - see dealer for details.
- Horizontal airflow fans have a heavy-duty powder coated, welded wire guard screen that is OSHA compliant.
- Versatile mounting options for most locations.
