

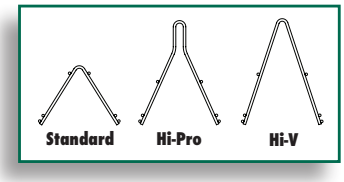
Flat Chain At Its Finest

The **VAL-CO® Flat Chain Feed System** makes breeder feeding a breeze with its versatility – whether suspended or on the floor.

- Adjustable floor stands offer wide footing to keep the trough and corners secure and properly aligned
- VAL-CO corners have a fluted wheel with oil impregnated brass bushing for long life
- Choose from three males exclusion grills



- 8 spoke, steel grill hanging pan feeders are strong and durable and help increase feeding space
