

Safely Feed Your Birds

The **FUZE V Grill-less Feeder** was designed, based on research from top growers, to improve feed efficiency and reduce chick mortality.

- Provides easy access from day 1
- High flood windows provide great feed presentation
- Grill-less design for more humane production
- Feed saver lip to help prevent wastage

Pans available in Easy Access [2.38" h (60.47mm)] and Standard [2.97" h (75.54mm)]
