

Back To Basics

The **Conventional Nests** from VAL-CO® are durable nests that are great for small operations, backyard flocks, or those that just want to get back to the basics.

- The snug fitting galvanized bottoms can be removed for easy cleaning.
- Hinged perches allow hassle-free nest close-out.
- 10 hole nests can accommodate 50 - 60 birds per nest, while the 12 hole nests can accommodate 60 - 72 birds per nest.
- Standard packaging is 3 nests per carton, making it easier for shipping.
