

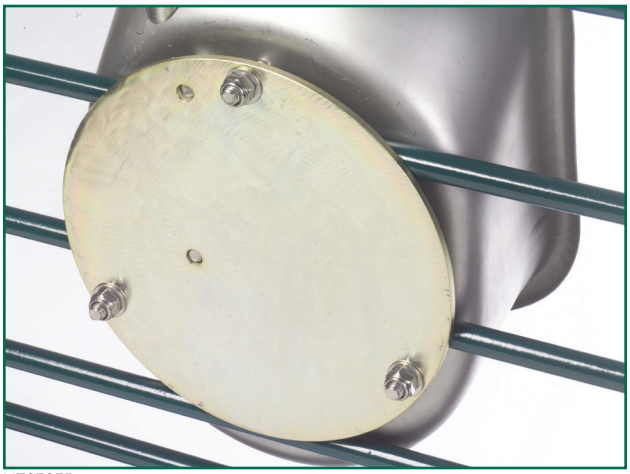
Less Waste, More Pig

The **Stainless Steel Hog Drinking System** from VAL-CO will provide just the right amount of water, reducing spillage by as much as 40%.

Above: Nursery Cup
Left: W-T-F Cup



- 304 grade SS cup, pipe, nipples & fasteners, available from Nursery to Wean-to-Finish
- Sanitary, non-seamed cup edges allow complete cleaning
- Safe for all pigs; no sharp edges
- SS Swinger Nipple Drinkers also available, have an offset pipe, keeping strain off the water supply hose, and are easy to adjust for proper height
