SECTION 06

VOLUME DROPS

HOW TO ORDER A VOLUME DROP SYSTEM

- 1.** Order Bulk Bin and Model 720 Flexible Auger Fill System or Chain Disk System from separate catalog sections. If using a flexible auger fill system, delete the discharge head from your fill system order.
- 2.** Order one end control drop or proximity sensor per line.
- 3.** Order the required number of volume drops.
- 4.** Order downspout tube and other accessories if needed.
- 5.** Order manual trip kit or winch and accessories as needed, including trip cable. If tripping by winch, be sure to order 1 - 750051 Winch Accessory Kit per winch.
