

Let's Talk Turkey... Drinkers

The **Turkey Drinkers** from VAL-CO® are available for all ages and provide top performance and results that save you time and money.

- The BigTom™ Turkey Cup, manufactured with glass-filled structural polymer and stainless steel inserts, is tough enough for big toms, yet is easy enough for poults.
- Each cup is a mini-reservoir for 30 turkeys up to 6 weeks and 20 turkeys after 6 weeks.
- The TurkeyMAX™ Bell Drinker provides a reservoir of fresh water while the smooth rim helps prevent bruising on the breasts.
- The TurkeyMAX Flanged version helps to keep your floors drier
