

The Best Solution Is A Best Start

Save valuable time by using the **Best Start Chick Feeders** from VAL-CO® with your broiler chicks and breeder pullets.

The Crown Sleeve Kit will smoothly transition your birds to regular feeders with little mess

The Best Start II with the optional Extension Sleeve.

- This kit is simple to install; simply snap the sturdy plastic pieces together around the feed pipe and you're ready for the chicks.
- When the birds have graduated to pan feeders, shut the feed off by rotating the assembly up and out of the way.
- The Best Start II is comprised of the feeder & optional extension sleeve.
- The Best Start II fold away shut off design minimizes breakage by catch crews and winching systems.
