

NEW PRODUCT RELEASE

VAL-CO Adds a Steel-to-PVC Connector to Fill System Product Line!

Steel - PVC Adapter (730908)

The 730908 Steel-to-PVC adapter is designed to couple together a 730426 3" steel formed elbow to a 3" PVC tube for 730 3" flexible auger systems.

Easily add strength to corners with steel elbows – connecting to PVC tubes using the new 730908 adaptor.

Best Regards,
Sean Francey, General Manager
