

NEW PRODUCT RELEASE

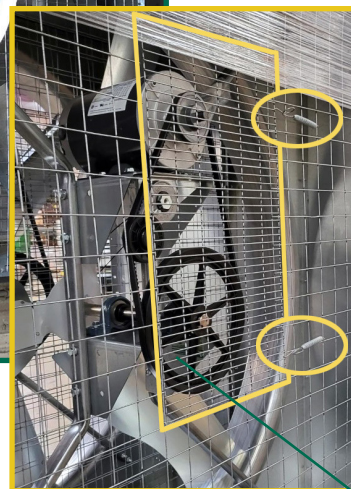

VAL-CO Expands its Circulation Fan line to include 54" Z-Box Fans!

Improve your farm's air circulation with VAL-CO Box Fans.

54" Z-Box Fans (954435-ZM)

*Lances make guard removal quick
and easy when cleaning fans.*

*Z-material is corrosion-resistant and
self-healing so scratches and dings don't mean
doom to the fan.*

*Large fan size moves a greater volume of air
to circulate efficiently in large houses.*

*A door in the center of the guard screen
makes for easy access when greasing
bearings and changing belts.*
