

PRODUCT UPDATE

VAL-CO® POLY DISCHARGE HEAD AND TRANSFER PLATE NOW AVAILABLE IN STAINLESS STEEL

Poly Discharge Heads, Stainless Steel Components -
(PN: 730576, 730577, 730578, & 730579)
Stainless Steel Transfer Plate - (PN: 501650)

The poly discharge head and transfer plate, previously only available with galvanized components, are now also available in stainless steel. This improves the life of the product when used in highly corrosive environments.

Parts are available now and can be found in the most recent catalog.

Best regards,
Sean Francey, General Manager
